

Tux Paint: the beginning

- Tux Paint is free, it has cool things.
- there's magic, stamps, paint, lines etc.

The basics of Tux Paint

- Paint is what size and color of the paint brush it is.
- Magic is what thing like fill it is.
- Stamp is when you have a stamp.
- Text is where you pick what style you want and right.

Some things that i like and don't like about Tux Paint

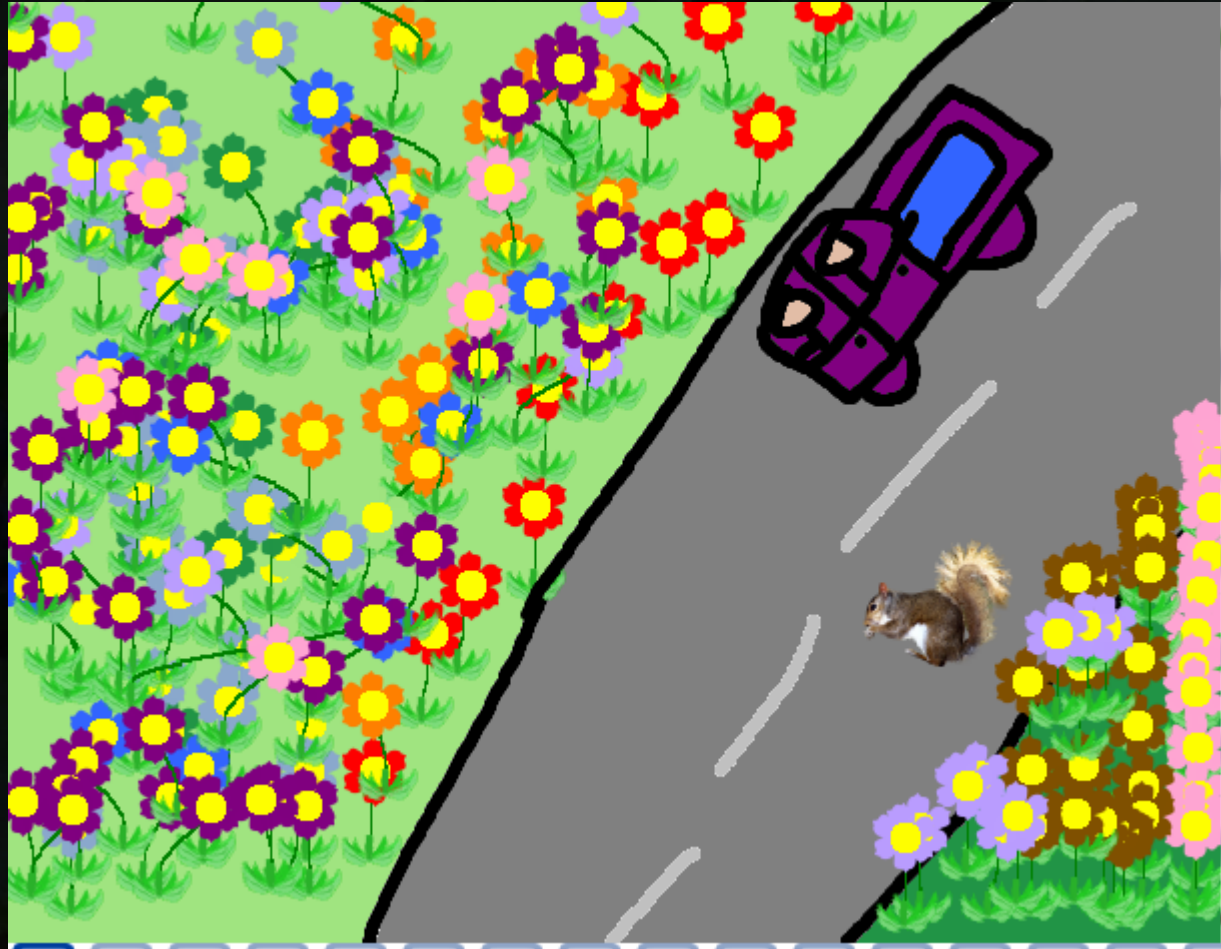

- I like pretty much everything.
- And i don't like Undo.
- If you click on something it might just exit.
